

Serial No.: R53(b) Cont. of
SN 10/204,914

REMARKS

This application is a Rule 1.53(b) Continuation Application of Serial No. 10/204,914 filed February 10, 2003.

Claims 18-34 are presented for examination herein. Claims 1-17 have been cancelled without prejudice or disclaimer.

The drawings have been amended in the same manner as in the parent application. See specification at pages 24-25, describing Embodiment 5. The specification has also been amended to identify the parent application.

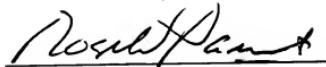

Filed herewith is an Information Disclosure Statement listing the references cited during prosecution of the parent application.

Serial No.: R53(b) Cont. of
SN 10/204,914

Prompt and favorable examination of this application on the
merits is respectfully solicited.

Respectfully submitted,

PARKHURST & WENDEL, L.L.P.
